APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and manner of use of underground water in the Las Vegas Artesian Basin heretofore granted under permit No. 11077 is issued subject to the terms and conditions imposed in said Permit No. 11077 and with the understanding that no other rights on the source will be affected by the change proposed herein. A meter must be installed in the pipe line near the point of diversion to facilitate the measurement and control of water. This source is located within a designated artesian basin under the provisions of the 1939 Underground Water Law, therefore the State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8 cubic feet per second.

Actual construction work shall begin on or before January 2, 1946

Proof of commencement of work shall be filed before February 2, 1946

Work must be prosecuted with reasonable diligence and be completed on or before January 2, 1947

Proof of completion of work shall be filed before February 2, 1947

Application of water to beneficial use shall be made on or before \_\_\_\_\_

January 2, 1949. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 2, 1949
